THE PREFACE.

THIS *Book contains a View of ſuch Eccleſiaſtical Benefices as now are, and alſo of ſuch as lately were charged with the Payment of* First-Fruits *and* Tenths, *which now by reaſon of the Smallneſs of their Income are diſcharged from any Payment to thoſe Revenues, and are for the ſame reaſon entitled to receive the Benefit of the* Royal Bounty, *in ſuch Proportions, and according to ſuch Appointments as are ſet forth in the excellent Rules of the Corporation founded and conſtituted by* Her late Majeſty Queen ANNE *for that Purpoſe* *; *which pious Charity, (by the moſt Gracious Favour, and under the Royal Protection of* His preſent Majeſty King GEORGE) *continues to make conſiderable Advances in the augmenting ſmall Livings; Every Year affording freſh Supplies towards the Increaſe of that poor Maintenance that was left to the Clergy* (in many large Cures) *before the Reformation, and continued in the ſame manner ever ſince.*

* See the Rules in the *Appendix* to this Book.

Whoever will compare the Greatneſs of the Duty in many Market Towns, *and other conſiderable Pariſhes, with the Smallneſs of the Recompence for performing ſuch Duty, will, from the great Diſproportion of one to the other, be eaſily convinc'd of the Neceſſity of eſtabliſhing ſome Method* for the better Support of Perſons officiating in ſuch Cures. *And if it be obſerved that the Method made uſe of for redreſſing this great Grievance, is, by ſupplying the Wants of the poorer Clergy from a* Tax on that Part of their own Body *from whence it can Beſt be ſpared, and that* No *Burthen is impoſed on the* Laiety *for that Purpoſe: Every Clergyman competently beneficed being a Contributor to the ſupplying the Wants of his Brethren, by a* twofold Tax upon his Benefice; *and that whatever farther Addition to that Charity is made, It proceeds wholly from the free Will of well diſpoſed Perſons voluntarily contributing thereunto: Theſe things conſider'd, we may reaſonably hope the ſame Method will continue to late* Poſterity, *who will look back with Pleaſure on the* Preſent Age, *which has ſo peculiarly diſtinguiſh'd itſelf, in carefully ſupplying thoſe Defects which were overlook'd by our Anceſtors in the earlier Times of the* Reformation, *when a Deſign of this Nature might have been carried on with much leſs Difficulty, by* reſtoring ſome of the Tithes *and other Spiritualities to thoſe Uſes for which they were originally ſettled on the Church, but by Popiſh Uſurpations were firſt alienated from the* Secular Clergy, *and then by* Bulls *and other Devices being eſtabliſh'd for the better Support of* Romiſh Superſtition and Monaſtick Luxury, *a Redreſs of ſuch manifeſt Abuſes of the* Church Revenues,

venues, *as well as a Reformation in Doctrine and Diſcipline became* neceſſary; *But at the Reformation it ſo unhappily fell out, that theſe Revenues when ſeparated from the Abuſes made of them by the* Popiſh Powers, *were ſo far from being reſtored to the truly uſeful and pious Purpoſes they ſerved before, That inſtead of their being applied to the Support and Encouragement of* the Parochial *Clergy*, the true and proper Uſe that ſhould have been made of them; *They were moſt of them diſpos'd of by the Powers in being, from time to time, among the Laiety, and became* Temporal Properties, *and ſo continue.*

And what abundantly adds to the Hardſhip of the Caſe of many Incumbents of Impropriate Cures, *is, That the diſcretionary Power which before the Reformation was lodged in the Biſhops of augmenting (as they ſhould ſee Occaſion) the* Incomes *of* Vicars *and* Curates, *This Power, (I ſay) which in the Popiſh Times, though it was in many Caſes put in execution with very good Effect, yet (by ſome Means or other) after the* Reformation *became of little Effect. The Lay Impropriators of many* large Cures *became impower'd to receive and enjoy* 3 *or* 400 l. per Annum *in* Tithes *and* other Spiritual Revenues, *which were torn from the* Clergy *without any manner of Default or Forfeiture committed or poſſible to be committed* by them, *or on their Part; and their* New *Proprietors have ever ſince contented themſelves to this very Day, with paying* only the poor pecuniary Stipend or Pittance *that was antiently allotted to the* Vicar *or* Curate *before the* Reformation, *which makes the Caſe of ſuch* poor

Vicars *and* Curates *worſe (now) than it was even in the Times of* Popery, *when Money was of ſuch a Value as that* 10 *or* 12 *Pounds was reckon'd a Competency equal to* 90 *or* 100l. *now; and the Power of augmenting the Income of ſuch* Vicarage *or* Curacy *out of the Spiritual Revenues of the Place, having been diſus'd, that* Stipend *is now* All *that the* poor Incumbent *can legally claim* [a].

Beſides, in many Caſes, the officiating Clergy *hold their Benefices upon ſuch a precarious Tenure, that the Incumbent is obliged to be ſatisfied, with any ſmall* Arbritrary Allowance, *as ſhall be made him by his* Impropriator, *otherwiſe he will diſplace his* poor Miniſter, *and put another, who will come into a more ſervile Compliance in his Room. In ſuch a Caſe it is not hard to gueſs what a poor* neceſſitous Curate *muſt do, who has no other Choice but to* comply *or* ſtarve. *This Grievance ariſes chiefly from ſuch Places as are exempt from all Juriſdiction of the* Ordinary, *and ſubject only to the Viſitation of the* Impropriator *or* Donor *himſelf. Of this ſort are many Livings formerly held, and now claimed under a Title derived from the* Priory *of* St. John of Jeruſalem, *and many others there are, that claim Exemptions of the like kind; which in ſome Parts of the Kingdom are ſo numerous, that it is needleſs to give Examples of them.*

---

[a] See Biſhop *Kennet*'s Caſe of Impropriations 8° *London*, 1704. p. 158. where it is fully made out, that Appropriations are a greater Hardſhip to the *Proteſtant*, than they had been to the *Popiſh* Clergy.

Can

Can it otherwiſe be expected than, that (as the Caſe now ſtands) there ſhould be diverſe mean and ſtipendiary Preachers in many Places entertained to ſerve the Cures and officiate there, who depending for their neceſſary Maintenance, upon the good Will and Liking of their Hearers, ſhould be under the Temptation of ſuiting their Doctrines and Teaching to their Humours, rather than the Good of their Hearers? *As it is moſt truly repreſented in the Act of Parliament* 2° & 3° Annæ, *Intitled*, "An "Act for making more effectual Her Majeſty's "Gracious Intentions for the Augmentation of "the Maintenance of the poor Clergy." *Can we ſuppoſe Doctrines and Inſtructions, though never ſo faithfully delivered or zealouſly urged, to have their due Influence in ſuch a Caſe?*

But when a Man is to appear as a Teacher and Inſtructor of Multitudes, *if, beſides other Qualifications, he makes a ſuitable Figure and Appearance; if in his Habit and Mien, he appears grave and decent, without the Marks of* Meanneſs *and* Poverty; *if he lives among his Neighbours with* Credit, *free from the Preſſures of* Debts, *and other manifold Misfortunes, the conſtant Attendants upon* Want *and* Narrowneſs of Circumſtances, *his Admonitions will certainly have the greater Weight, his Doctrines make the deeper Impreſſions, and all his Labours may in a great Meaſure have their deſired Effect. On the contrary, what Fruit is to be expected from the Labours of a Paſtor who (we will ſuppoſe) is willing to do all the* Good *he can, is contented to drudge on with his little Allowance, in*

hopes of seeing some good Effect from his Labours among his Parishioners, *but, notwithstanding his best Endeavours, falls into* Contempt of the meanest of them, *which his* Poverty *alone, without any personal* Demerit *of his own to add to it, is sufficient to bring upon him? In such case it is no Wonder that all his Endeavours to* do Good in his Profession *are rendred* vain and ineffectual.

What livelier Image can possibly be drawn, of what the Poets feign of Sisyphus, *Doom'd to the perpetual Round of* fruitless Labour *in pushing up-hill the unwieldy* Stone, *which, with all his toiling and sweating, is never to reach the wish'd for* Summit, *but when near the Top, by a sudden and* unexpected Turn of Fate, *is to roll back upon the* Wretch *that heaves it, till with endless Toil and unsuccessful Labour, he becomes the constant* Jest *and* Diversion *of every idle and* ill-natur'd Spectator.

And to render the Wretchedness of his Condition perfectly complete, we may form (in another View of him) the Image of Tantalus *wading up to the Chin in* those Waters, *of which he is, by an irreversible Doom, denied to take* sufficient into his Mouth to quench his Thirst.

These can scarcely be call'd Hyperbolical Allusions when apply'd to the Case of a poor Clergyman, *who in Virtue of his* Holy Office *is appointed to offer his Instructions to those who, instead of being benefited by them, despise his Person, frustrate his* Labours *and reject his* Doctrines, *treating both* Him *and* Them *with all manner of* Scorn *and* Contempt,

tempt, *who being entirely at the Will of another,* (perhaps of him who deſpiſes him) *as to the* Duration *as well as the* Quantum *of his* little Stipend, *has nothing he can claim as* his own, *ariſing from the* Spiritual Income *of his poor Living, but has the Misfortune to ſee that plentiful Proviſion which was once his* Church's Patrimony, *become a private Property, to which he muſt not lay the* leaſt Claim, or Demand.

Inſtances of this kind, are (God knows) too many in this Kingdom, no County being free from ſome Examples of them, and in ſome Countries, as Wales, Yorkſhire, *and many others, they are very* numerous.

Nothing here ſaid is intended in the leaſt to impeach or bring into diſpute the legal Rights *of any Perſons poſſeſſing ſuch* Tithes, *or other* Revenues *that were formerly of a* ſpiritual Nature, *but are now by the Laws of* This Land *become the* Properties *of thoſe in Poſſeſſion of them: What is ſaid in this Place concerning them, is deſign'd to have no other Tendency than* truly *to ſtate the Condition of the* pooreſt Clergy *in order to abate (if poſſible) that* Spirit of grudging, *which is ſo viſible in ſome, and to raiſe in others (what at preſent would be very ſeaſonable) a Deſire to contribute towards* that Charity, *which ſtood in need of a* Royal Heart *to ſet it on Foot, and 'tis hop'd, as long as there is occaſion, will never want* Royal Hands *to ſupport it.*

This (we hope) will likewiſe find other Helps and Encouragements from ſuch other pious and well-diſpos'd

diſpos'd Perſons, *who will conſider that a twofold Advantage will accrue to the Publick thereby*, viz. *The* poor Clergy *will be better maintain'd, and the Conſequence of that muſt be obvious to the ſlighteſt Obſerver, many* great Cures *will be better ſupplied.*

Theſe are the good Effects that may be expected to ſpring from Her late Majeſty's Pious Benefaction, *which, with the Addition of* (*other*) private Contributions, *may to ſome appear a* large Bounty, *yet conſidering the great Numbers of* poor Livings *that ſtand in Need, ſome of them of more than* two *or* three Allotments *of the* Royal Bounty *to raiſe them to a moderate Competency of Maintenance for the officiating Incumbents, it will be very evident to all reaſonable and conſidering Perſons, that there will not be in a* long Series of Years *to come, any Room to reſume the* publick Revenues *ſettled for this Purpoſe, or any Occaſion for Meaſures to be taken to diſcourage well diſpoſed People from contributing to* ſo noble and pious a Deſign.

Till a more particular and complete Account of theſe Affairs can be given to the Publick, which hereafter from undeniable Facts and authentick Evidence It is likely may appear, it may for the preſent ſuffice to ſay, it will be the Work of Ages, before All *the ſmall Livings entitled to an Augmentation can receive* Any *Benefit or Share therefrom; and of* many Ages more, * *before the Income of every*

* It will be 500 Years before all the Livings now under 50 *l. per Ann.* will be rais'd to 60 *l. per Annum*, ſuppoſing every Year there be the ſame Money diſtributed as has been for three or four Years laſt paſt.

Living

Living will be ſo advanc'd, as to afford a Competency for the Miniſter, ſuppoſing that Competency to amount to no more than Sixty Pounds per Annum *to each Living. However diſtant this Proſpect may be, it will notwithſtanding adminiſter Satisfaction in proportion to the Advances that from time to time are made towards it: Of the future happy Progreſs of which pious and uſeful Charity, there is no reaſon to doubt from ſo fair and proſperous a Beginning, which has appear'd in ſo many Inſtances of* Favour from the Throne, *and ſo much Encouragement from the generous Contributions of many* Honourable and worthy Perſons *that have become Benefactors to it.*

It may ſeem to Some, *that by reaſon the Corporation is* yearly employing their Money (*not yet laid out in Purchaſes of Lands to be applied to each reſpective augmented Living*) at Intereſt *in the Funds, they by that means are perpetually increaſing* their Stock, *by which Increaſe of* Stock, *they may in time become* too conſiderable: *To theſe Objectors by way of* Anſwer, *it may be proper to take Notice, that out of the* Intereſt *ariſing from their* Monies in the Funds, *there is yearly paid to each Incumbent* 4l. per Cent. *for their Augmentation-Money, which ſerves the* poor Clergy *for a preſent Support and Subſiſtence, till Purchaſes (which, by the way, are very difficult to be found) can be made, to anſwer the Sum allotted to each particular Augmentation; by which Means the* Increaſe of Money *ſuppoſed to be made by the* Corporation, *is yearly exhauſted; ſo that nothing is to be feared from their growing* too Rich, *by put-*

ting their Money out to Intereſt; and for the Principal, that remains with the Corporation *only, till ſuch time as the ſame is apply'd to anſwer the* Augmentations, *as faſt as Purchaſes can be found out and made.*

There had not been any need of mentioning this Particular it being ſo very well known, had there not been ſome Occaſion *given for it (by which many might have been miſled) by a groundleſs Inſinuation made in a Book lately publiſhed*, 1726. *Intitled*, " Tables of Intereſt, Diſcount, and Annuities, *&c.* " by *John Smart* Gent. p. 109, *&c.*" *Wherein the Author would intimate* the Danger *he apprehends may ariſe* to the State *from this* Corporation, *by the* Improvement *they make, or may make of their Money, and likewiſe from a perpetual Repeal of the Statute of* Mortmain *made in their Favour. I wiſh this Author would apply his* Skill *in Calculation, to inform the World how ſoon a competent Proviſion may be rais'd for the* poor Clergy: *Let Him fairly conſider the Number of* Livings *of ſmall Value, the State of the* Fund *for augmenting them, the Value of* Lands *to be purchaſed to make a laſting Settlement, and when he has done, he will not want to be told that he was too haſty in his* Reflections. *In the mean time 'tis a Circumſtance ſeriouſly to be wiſh'd for, by all that are well affected to* our Happy Eſtabliſhment in Church and State (*in which good Wiſh we hope our Author will join*) *That the* parochial Clergy *were either, out of what they heretofore did and might* claim as their own, *or by any other proper and laudable Ways and Means, well and ſufficiently provided*

for, ſo, as not to ſtand in need either of the late Queen's Bounty, *or any other* Charitable Contributions *to ſupport them.*

In the following Work, *the Reader will obſerve that every* Deanry *is ranged under its* proper Archdeaconry; *and though it may ſo happen in ſome Inſtances, that there may be ſome Livings of exempt Juriſdiction, and ſo not ſubject to the Juriſdiction of the Archdeaconry under which they may be placed: To anſwer that, it may be noted, that what is here meant by Archdeaconry, relates only to the* Diſtrict or Compaſs *of ſuch Archdeaconry, and is by no means intended to extend to ſignify the* Juriſdiction *thereof, which is known but to very few, beſides thoſe who are nearly concerned in point of* Authority *or* Duty.

It is noted in ſeveral places in this Book, that the Clergy are to pay their Tenths to the Biſhop of the Dioceſe, whereof Inſtances are given in the Dioceſes of Canterbury, Chicheſter, London, *&c. Such Note is inſerted, to the end that the Clergy who are poſſeſs'd of Livings under that Circumſtance, may not be at a Loſs where to pay their* Tenths. *And it may be of ſome Uſe likewiſe to inform them, That where ſuch Livings are ſaid to be diſcharged, that Diſcharge extends only to their* Firſt-Fruits, *and not to the* Tenths; *the latter being the Eſtate and Property of ſuch Biſhops to whom they are payable, are expreſsly ſaved to them* (the Biſhops) *by the Diſcharging Acts.*

Theſe

Theſe Tenths became veſted in ſuch Biſhops, and their Succeſſors, in Exchange for Manors and Lands alienated from their Biſhopricks to the Crown, *wherein an Allowance of Yearly* Tenths *has been made a part, or the whole of the Conſideration upon ſuch Exchanges: But 'tis well for their Lordſhips the Biſhops that there was an End put to ſuch* Alienations, *it being ſufficiently manifeſt how much to the Diſadvantage of the Biſhops they were made; Manors and Lands* (which have ſince been mightily improved) *were exchanged for perpetual ſtated Sums ariſing from* Tenths, *Penſions, and ſuch like Payments from the poorer Clergy, and which are frequently loſt, the legal Methods of recovering them, not being in all Caſes inſiſted on by the Biſhops* (*the Proprietors*) *out of mere Compaſſion to the* poor Condition of ſuch *as are liable to pay them.*

Theſe Alienations and Exchanges prevailed from the Year 1559. *when an Act was made* 1. Eliz. cap. 19. *Intitled,* "An Act giving Authority to "the Queen's Majeſty, upon the Avoidance of "any Archbiſhoprick or Biſhoprick, to take into "her Hands certain of the Temporal Poſſeſſions "thereof, recompenſing the ſame with Parſo-"nages Impropriate, or Tythes" †. *This Act continued in force till* Anno Dom. 1603. *when* an Act *was made* (1 *Jac. cap.* 3.) "Againſt the Diminu-"tion of the Poſſeſſions of Archbiſhopricks and "Biſhopricks, and avoiding of Dilapidations of

† Which Act of Parliament, as Biſhop *Gibſon* tells us in his *Codex*, p. 676. was never printed in any Edition of the *Statutes*, but is inſerted in his Book, out of the Records of Parliament.

"the

" the ſame". *Whereby theſe Alienations to the Crown were* reſtrained.

Where the Firſt-Fruits *of a Biſhoprick happen not to bear a* juſt Proportion to the Tenths *of the ſame Biſhoprick, ſuch Diſproportion has been occaſioned (as is conceived) by the like Exchange of Lands for* Tenths, *when a part, or all of the Biſhops Tenths were thrown in to make up a Deficiency of the Recompence he was to receive in lieu of his* Manors *or* Lands, *which could not be ſo conveniently adjuſted any other way, the* Firſt-Fruits *being only accidental, and* not a certain Yearly Payment, *ſuffered no Alteration by ſuch Exchange, but were continued on the ſame Foot as before.*

In like manner, where the Deanry and Prebendaries of ſome Cathedral Churches are not charged at all to the Payment of the Firſt-Fruits *or* Tenths, *either the Crown has Lands, or in ſome Caſes, a ſtated Sum, or annual Rent, in lieu of thoſe Payments, as by the Charters of the new erected Foundations, it does at large appear.*

Thus much it ſeem'd proper ſhould be mention'd in relation to theſe Exchanges, *in order to account for ſome ſeeming Inconſiſtencies in this Book, and to clear up ſome things which would otherwiſe appear Difficulties to thoſe who are altogether unacquainted with ſuch Proceedings; and which, if not ſet in a* proper Light, *might in proceſs of time be liable to greater Uncertainty and Obſcurity, to the* Perplexity *at leaſt, if not the* Injury *alſo, of ſome nearly concerned therein.*

In

In ſettling and aſcertaining the true Names of Places, regard has been had chiefly to the Manner Now moſt *uſed, but there may be good Reaſons given why in many Inſtances both the* Antient *and* Modern *way of writing them are retained.*

The Appendix *has been conſiderably alter'd and enlarg'd, ſeveral new Precedents, and ſome other Matters are added, with proper References to the Authorities from whence thy are taken, which it is conceived may be of very good Uſe. Theſe things may ſerve to lead the* Younger Clergy *through That part of* Knowledge neceſſary for them, *which at their firſt ſetting out muſt appear very intricate and difficult, as they lie ſcatter'd and diſpers'd in divers* Acts of Parliament and Canons, *&c. intermix'd with Matters of a quite different Nature, and which in ſome Inſtances have been render'd more intricate and obſcure, either through the want of Care or Judgment of* Some, *who have unſucceſfully labour'd to render them more* plain *and* clear.

A LIST *of* BENEFACTORS *to the ſeveral Livings undermentioned, which have been augmented by the Governors of the Bounty of Queen* ANNE, &c. *With the Addition of* 200 l. *of the* ROYAL BOUNTY *to each Living, with the Year when each Living was augmented.*

N. B. Where there is this Mark * there are only Propoſals delivered in; but the Livings are not as yet actually augmented, but ſtand in Courſe to be augmented this Year.

In the foregoing List of Benefactors in some few Cases, it may happen, that the Money given, was not the Money of the Person who appears to be the Benefactor, upon the said List, but of some other Person or Persons whose Names are not mention'd therein; by means whereof the said List may in some measure appear erroneous or defective; such seeming Errors or Defects are occasion'd by the Party's proposing such Benefaction in his own Name absolutely *without intimating in the Proposal* whose the Money was, *that was so proposed by him: But where any Light is given in the Proposal itself, Justice is done (as near as can be) in representing who is the true Benefactor.*

In this List, Page the 9th, for *Carpole* read *Yarpole.*

N°. I.

The Archbiſhop of CANTERBURY's *Directions to the Biſhops of his Province,* Ann. 1716. *concerning Orders and Curates.*

I. THAT you require of every Perſon who deſires to be admitted to Holy Orders, that he ſignify to you his Name, and Place of Abode, and tranſmit to you his Teſtimonial, and a Certificate of his Age duly atteſted, with the Title upon which he is to be Ordained, at leaſt Twenty Days before the Time of Ordination; and that he appear on *Wedneſday*, or at fartheſt on *Thurſday* in *Ember-Week*, in order to his Examination.

II. That if you ſhall reject any Perſon who applies for Holy Orders, upon the Account of Immorality proved againſt him, you ſignify the Name of the Perſon ſo rejected, with the Reaſon of your rejecting him, to me, within one Month; that ſo I may acquaint the reſt of my Suffragans with the Caſe of ſuch rejected Perſon before the next Ordination.

III. That you admit not any Perſon to Holy Orders, who having reſided any conſiderable Time out of the Univerſity, does not ſend to you, with his Teſtimonial, a Certificate ſigned by the Miniſter, and other credible Inhabitants of the Pariſh where he ſo reſided, expreſſing that Notice was given in the Church in Time of Divine Service, on ſome *Sunday*, at leaſt a Month before the Day of Ordination, of his Intention to offer himſelf to be Ordained at ſuch a Time; to the end that any Perſon, who knows any Impediment, or notable Crime, for the which he ought not to be Ordained, may have Opportunity to make his Objections againſt him.

IV. That you admit no Letters Teſtimonial, on any Occaſion whatſoever, unleſs it be therein expreſſed, for what particular End and Deſign ſuch Letters are granted; nor unleſs it be declared by thoſe who ſhall ſign them, that they have perſonally known the Life and Behaviour of the Perſon for the Time by them certified; and do believe in their Conſcience, that he is qualified for that Order, Office, or Employment, to which he deſires to be admitted.

V. That in all Teſtimonials ſent from any College or Hall, in either of the Univerſities, you expect that they be ſigned, as well as ſealed; and that among the Perſons ſigning, the Governour of ſuch College, or Hall, or, in his Abſence, the next Perſon under ſuch Governour, with the Dean or Reader of Divinity, and the Tutor of the Perſon to whom the Teſtimonial is granted, (ſuch Tutor being in the College, and ſuch Perſon being under the Degree of Maſter of Arts,) do ſubſcribe their Names.

VI. That you admit not any Perſon to Holy Orders upon Letters Dimiſſory, unleſs they are granted by the Biſhop himſelf, or Guardian of the Spiri

Spiritualities *Sede vacante*, nor unleſs it be expreſſed in ſuch Letters, that he who grants them has fully ſatisfied himſelf of the Title and Converſation of the Perſon, to whom the Letter is granted.

VII. That you make diligent Enquiry concerning *Curates* in your Dioceſe, and proceed to Eccleſiaſtical Cenſures againſt thoſe, who ſhall preſume to ſerve Cures without being firſt duly Licenſed thereunto; as alſo againſt all ſuch Incumbents who ſhall receive and employ them, without firſt obtaining ſuch Licenſe.

VIII. That you do not by any means admit of any Miniſter, who removes from another Dioceſe, to ſerve as a Curate in yours, without Teſtimony of the Biſhop of that Dioceſe, or Ordinary of the peculiar Juriſdiction from whence he comes, in writing, of his Honeſty, Ability, and Conformity to the Eccleſiaſtical Laws of the Church of *England*.

IX. That you do not allow any Miniſter to ſerve more than one Church, or Chapel, in one Day, except that Chapel be a Member of the Pariſh-Church, or united thereunto; and unleſs the ſaid Church, or Chapel, where ſuch Miniſter ſhall ſerve in two Places, be not able in your Judgment to maintain a Curate.

X. That in the Inſtrument of Licence granted to any Curate, you appoint him a ſufficient Salary according to the Power veſted in you by the Laws of the Church, and the particular Direction of a late Act of Parliament for the better Maintenance of Curates.

XI. That in Licenſes to be granted to Perſons to ſerve any Cure, you cauſe to be inſerted, after the Mention of the particular Cure provided for by ſuch Licenſe, a Clauſe to this Effect, *or in any other Pariſh within the Dioceſe, to which ſuch Curate ſhall remove with the Conſent of the Biſhop.*

XII. That you take Care, as much as is poſſible, that whoſoever is admitted to ſerve any Cure, do reſide in the Pariſh where he is to ſerve; eſpecially in Livings that are able to ſupport a Reſident Curate: And where that cannot be done, that they do at leaſt reſide ſo near to the Place, that they may conveniently perform all their Duties both in the Church and Pariſh.

ENACTED, That if any Rector or Vicar shall after 29 *Sept.* 1714. present any Curate to the Bishop or Ordinary to be licensed to serve the Cure in his Absence; the Bishop having regard to the Greatness of the Cure, and Value of the Living, shall, before granting such Licence, appoint under his Hand and Seal, a Stipend not exceeding 50*l.* *per Annum*, nor less than 20*l.* to be paid at such Times as he shall think fit by the said Rector or Vicar; and upon Complaint made that any Curate licensed before that Time, hath not a sufficient Maintenance, the Bishop may appoint a certain Stipend, or on Neglect or Refusal to pay such Stipend, he may determine the same, and sequester the Profits of the Benefice until Payment shall be made.

If any Person after 29 *Septemb.* 1714. shall for any Sum of Money, Reward, Gift, *&c.* in his own Name, or in the Name of any other Person, take or accept the next Avoidance of, or Presentation to any Benefice with Cure of Souls, Dignity, *&c.* and shall be presented thereupon; then every such Presentation shall be void, and such Agreement deem'd a Simoniacal Contract, and the Crown may present to such Benefice, Dignity, *&c.* for that time only, and the Person so corruptly taking or procu-

ring ſuch Benefice or Dignity, &c. ſhall be adjudged a diſabled Perſon in Law to have and enjoy the ſame; and ſhall alſo be ſubject to any Pain, &c. inflicted by the Eccleſiaſtical Laws, in like manner as if ſuch corrupt Agreement had been made after ſuch Benefice, &c. had become vacant.

IT is Enacted, That when a Preſentation ſhall be brought to any Biſhop, &c. *He is required to examine the Perſon preſented, on Oath*, before he give him *Inſtitution*, whether to the beſt and utmoſt of his Knowledge or Belief the Perſon or Perſons who made ſuch Preſentation be the true and real Patron or Patrons of the ſaid Benefice or Eccleſiaſtical Living, or made the ſaid Preſentation in his, her, or their *own Right*, or whether ſuch Perſon or Perſons ſo preſenting be not mediately or immediately, directly or indirectly, Truſtee or Truſtees, or any way intereſted for ſome other; and what Perſon or Perſons by Name; *who is or are Papiſts, or make Profeſſion of the Romiſh Religion*, or the Children of ſuch, or for any other, and what Perſon or Perſons, and what he knows, has heard or believes, touching or concerning the ſame.

Rules

Rules and Orders for the Augmentation of the Maintenance of the Poor Clergy, &c.

I. THAT the Augmentations to be made by the ſaid Corporation, ſhall be by the way of Purchaſe, and not by the way of Penſion.

II. That the ſtated Sum to be allowed to each Cure which ſhall be augmented, be 200 *l.* to be inveſted in a Purchaſe, at the Expence of the Corporation.

III. That the Governors ſhall begin with augmenting thoſe Cures that do not exceed the Value of 10 *l. per Ann.* and ſhall augment no other, till thoſe have all received our Bounty of 200 *l.* except in the Caſes, and according to the Limitations hereafter named.

IV. That in order to encourage Benefactions from others, and thereby the ſooner to compleat the Good that was intended by our Bounty, the Governors may give the ſaid Sum of 200 *l.* to Cures not exceeding 50 *l. per Annum* *, where any Perſons will give the ſame, or greater Sum, or Value in Lands or Tythes.

V. That the Governors ſhall every Year, between *Chriſtmas* and *Eaſter*, cauſe the Account of what Money they have to diſtribute that Year to be audited; and when they know the Sum, publick Notice ſhall be given in the *Gazette*, or ſuch other way as ſhall be judged proper, that they have ſuch a Sum to diſtribute in ſo many Shares; and that they

* *Thirty five Pounds in the firſt Rules.*

will be ready to apply those Shares to such Cures as want the same, and are by the Rules of the Corporation qualified to receive them, where any Persons will add the like or greater Sum to it, or the Value in Lands or Tythes, for any such particular Cure.

VI. That if several Benefactors offer themselves, the Governors shall first comply with those that offer Most.

VII. Where the Sums offer'd by other Benefactors are equal, the Governors shall always prefer the poorer Living.

VIII. Where the Cures to be augmented are of equal Value, and the Benefactions offer'd by others are equal, there THEY shall be preferr'd that first offer.

IX. Provided nevertheless, that the Preference shall be so far given to Cures not exceeding 10*l. per Annum*, that the Governors shall not apply above † two third Parts of the Money they have to distribute that Year, to Cures exceeding that Value.

X. Where the Governors have expected till *Michaelmas* what Benefactors will offer themselves, Then no more Proposals shall be received for that Year; but if any Money remain after that to be dispos'd of; in the first place, two or more of the Cures in the Gift of the Crown, not exceeding 10*l. per Annum*, shall be chosen by Lot, to be augmented preferably to all others: The precise Number of these to be settled by a General Court, when an exact List of them shall be brought in to the Governors.

XI. As for what shall remain of the Money to be disposed of after That, a List shall be taken of all the Cures in the Church of *England*, not exceeding 10*l. per Annum*; and so many of them be chosen by

† *One Third in the first Rules.*

Lots

Lot, as there ſhall remain Sums of 200*l.* for their Augmentation.

XII. When all the Cures not exceeding 10*l. per Annum* ſhall be ſo augmented, the Governors ſhall then proceed to augment thoſe of greater Value, according to ſuch Rules as ſhall at any time hereafter be propos'd by them, and approved by Us, our Heirs or Succeſſors, under our or their Great Seal.

XIII. That all Charitable Gifts, in real or perſonal Eſtates, made to the Corporation, ſhall be ſtrictly applied, according to the particular Direction of the Donor or Donors thereof, where the Donor ſhall give particular Direction for the Diſpoſition thereof: And where the Gift ſhall be generally to the Corporation, without any ſuch particular Direction, the ſame ſhall be applied as the reſt of the Fund or Stock of the Corporation is to be applied.

XIV. That a Book ſhall be kept, wherein ſhall de entred all the Subſcriptions, Contributions, Gifts, Devices or Appointments, made or given, of any Monies, or of any real or perſonal Eſtate whatſoever, to the Charity mention'd in the Charter, and the Names of the Donors thereof, with the Particulars of the Matters ſo given; the ſame Book to be kept by the Secretary of the Corporation.

XV. That a Memorial of the Benefactions and Augmentations made to each Cure, ſhall, at the Charge of the Corporation, be ſet up in Writing on a Stone, to be fixed in the Church of the Cure ſo to be encreaſed, there to remain in perpetual Memory thereof.

XVI. When the Treaſurer ſhall have received any Sum of Money for the Uſe of the Corporation, he ſhall, at the next General Court to be holden after ſuch Receipt, lay an Account thereof before the Governors, who may order and direct the ſame to be placed out for the Improvement thereof, upon

ſome publick Fund or other Security, till they have an Opportunity of laying it out in proper Purchaſes, for the Augmentation of Cures.

XVII. That the Treaſurer do account annually before ſuch a Committee of the Governors, as ſhall be appointed by a General Court of the ſaid Corporation, who ſhall audit and ſtate the ſame; and the ſaid Account ſhall be enter'd in a Book to be kept for that Purpoſe, and ſhall be laid before the next General Court after ſuch ſtating; the ſame to be there re-examin'd and determined.

XVIII. The Perſons whoſe Cures ſhall be augmented, ſhall pay no manner of Fee or Gratification to any of the Officers or Servants of this Corporation.

Note, *If a Living of ſmall Value be augmented either by Lot, or by way of private Benefaction, as above, which Living by ſuch Augmentation is not advanced ſo, as to be of the clear yearly Value of* 50l. *or upwards; the ſame Living is capable of a ſecond Augmentation, if* 200l. *more be offer'd the next Year after ſuch Augmentation made, or any time afterwards; and ſo ſtill on to a third Augmentation, provided the Living after ſuch additional Augmentation do not exceed in yearly Value above fifty Pounds.*

Directions to ſuch as ſhall deſire to become Contributors to the Augmentation of ſmall Livings.

IF by Gift. In Caſe the Contributor deſires to apply ſuch Gift to any *particular* ſmall Living, in order to entitle ſuch Living to 200*l.* of the late Queen's Bounty, according to the fourth Rule of the Governors; it will be proper to do it by one of the Forms of Propoſals hereafter ſet forth: But if he deſires to give any Sum of Money *generally* without any

any particular Direction or Application thereof, the Contributor upon ſignifying ſuch his Intention to the *Board*, may immediately (if deſired) pay in his Money to the Treaſurer: Or in caſe the Benefaction offer'd be any Eſtate in Lands, he may have it ſettled on the Corporation in ſuch manner as proper Council ſhall adviſe.

If by Will or Deviſe. Where the Deviſor deſires to apply the Sum of 200*l.* or more to any particular ſmall Living, it may be done in the following Form. "*Item*, I give to the Corporation "of the Governors of the Bounty of Queen *Anne*, "for the Augmentation of the Maintenance of the "poor Clergy, the Sum of [* 200*l.*] to be paid to "the ſaid Governors, ſo ſoon (after my Deceaſe) "as the ſaid Governors ſhall order the Sum of "200*l.* out of their Revenue to be added thereto, "to be laid out for a perpetual Augmentation of "the [† Rectory] of *C.* in the County of *D.* and "Dioceſe of *E.*

If the Deviſe be to be made of Money to the Corporation *generally*, without any *particular* Direction or Appointment of the Deviſor, it may be ſufficient if in this Form. "*Item*, I give to the Cor-"poration of the Governors of the Bounty of "Queen *Anne*, for the Augmentation of the Main-"tenance of the poor Clergy, the Sum of "to be by them applied to the Augmentation of "ſmall Livings, according to the Powers veſted "in them by their Charter, and Rules made for "that Purpoſe.
